

AVIATORS OF TOMORROW

Ahmed Fishmonger

"LOSS OF THE TAUMATROPE"

The warehouse in New York burned to the ground with the almost complete Taumatrope inside.

At that moment, the Professor arrived outside the consulate in Donumbangi!

AVIATORS OF TOMORROW

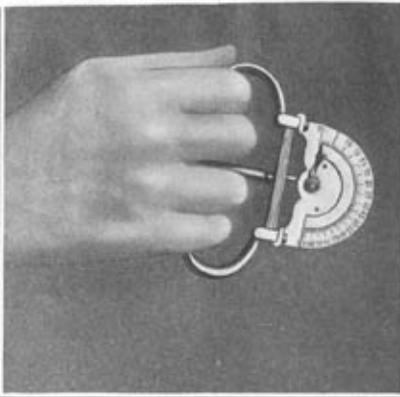

"DOOM FOR MILWAUKEE"

Ahmed Fishmonger

A strange aeroplane appears over Milwaukee.

Using a portable KLYSTROPHORE, it's hostile intent is discovered.

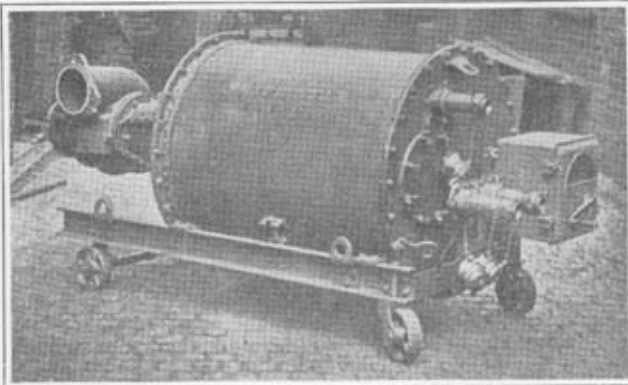

The local authorities are not unprepared.

AVIATORS OF TOMORROW

"THE NEW MOTOR"

d Fishmonger

The propeller testing laboratory at McCook field had produced a new and faster aeroplane motor.

However it's use was limited by the peculiar way in which it was fueled.

AVIATORS OF TOMORROW

"INTERIGATION OF RAWLINGS"

Ahmed Fishmong

A brand new 1973 "Kolyesoptitsa" aeromobile races toward Berlin.

Col. Rawlings, now awake, cannot explain his former rigidity.

The aeromobile, now at the airport discharges professor Andrade and a mysterious companion

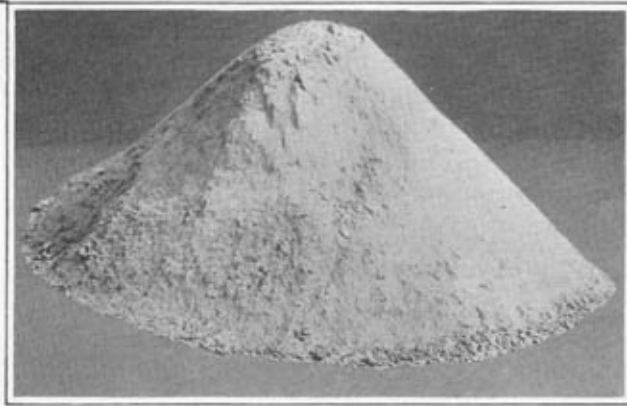

AVIATORS OF TOMORROW "MAX FALLS VICTIM"

Ahmed Fishmonger

Col. Vergil Rawlings and his young Aviators of Tomorrow race to the scene!

Arriving too late, they found only the remains of what was once Feingold

AVIATORS OF TOMORROW

"THE STOLEN WEAPON"

Ahmed Fishmonger

The evil lunar arachnid labored to activate the stolen MAGNETIC RAY!

But the diligence of people like young Charles Baxter might yet save the day.

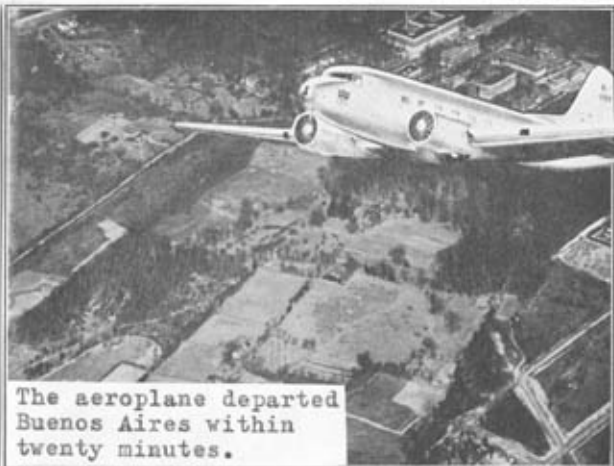

The forces of decency had a few tricks yet to try!

AVIATORS OF TOMORROW

"A HASTY DEPARTURE"

Ahmed Fishmonger

The aeroplane departed Buenos Aires within twenty minutes.

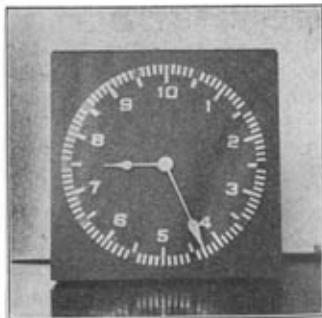

With Col. Rawlings on board in an unaccountable condition!

AVIATORS OF TOMORROW

"A STARTLING REVELATION"

The wings removed, the Aeromobile carries Max and the professor toward the city as the timer on the RADIO BOMB ticks ever closer to the fatal moment. Meanwhile, Rawlings finds a startling revelation on the film from the AutoCamera!

Ahmed Fishmonger

AVIATORS OF TOMORROW "THE TAUMATROPE"

Ahmed Fishmonger

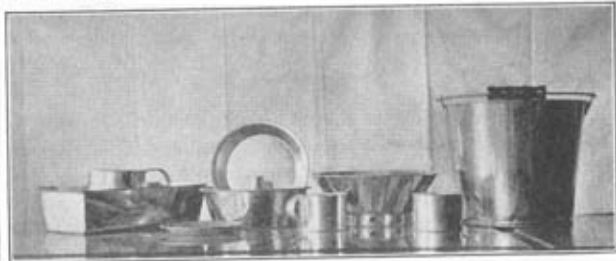

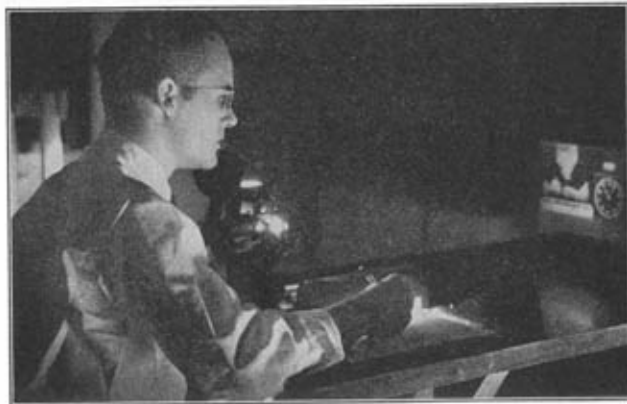

The brave young Aviators of Tomorrow would ensure its use was effective.

AVIATORS OF TOMORROW

"BAXTER'S DEMAND" Ahmed Fishmonger

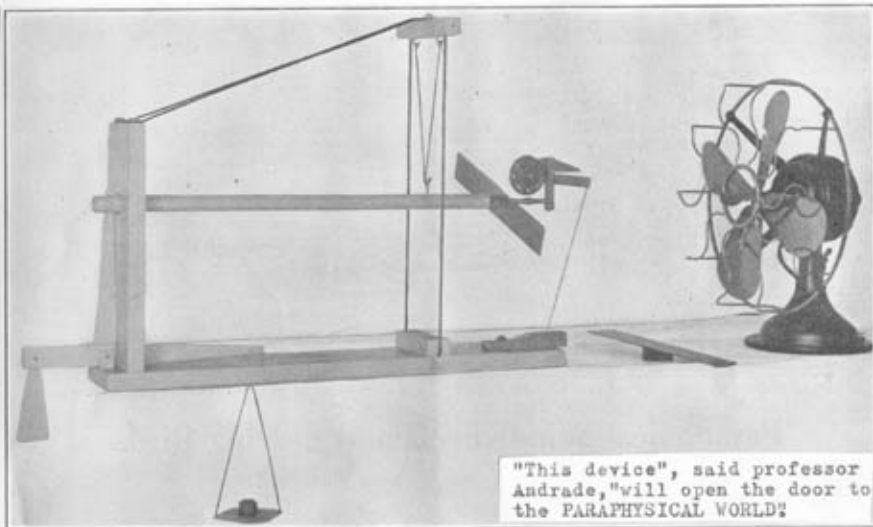

Baxter had rechecked his findings, there could be no doubt. "I need evreything you have that is made of Tin!" he exclaimed, "There is no time to explain!"

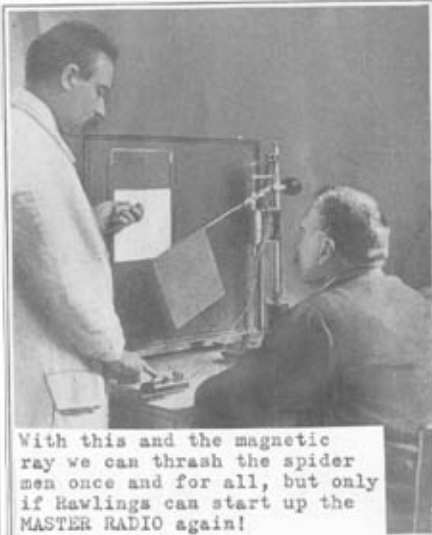

AVIATORS OF TOMORROW

"LAST HOPE FOR THE FUTURE"

Ahmed Fishmonger

"This device", said professor Andrade, "will open the door to the PARAPHYSICAL WORLD!"

With this and the magnetic ray we can thrash the spider men once and for all, but only if Rawlings can start up the MASTER RADIO again!

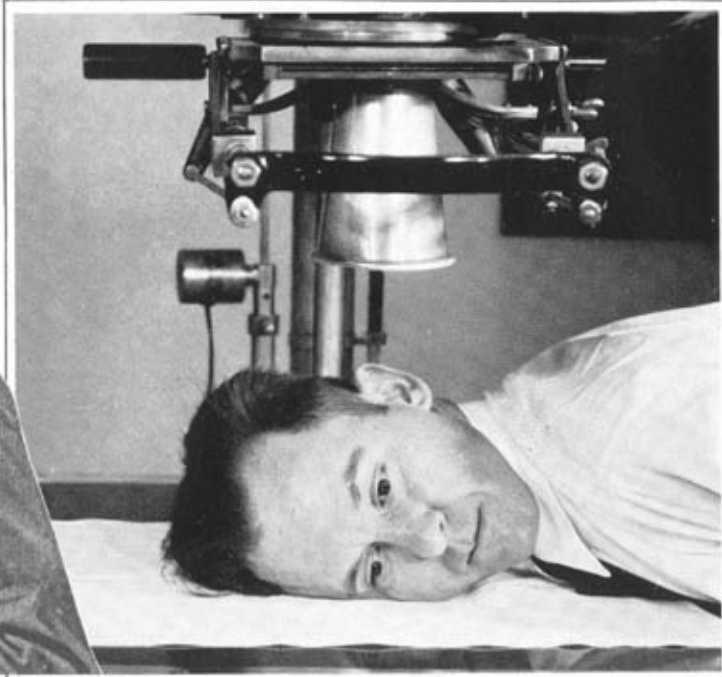

AVIATORS OF TOMORROW

"WEB OF DOOM"

Ahmed Fishmonger

Had he a face of flesh rather than horrid spiny chitin, the SPIDER MAN would have worn a demonic grin as he prepared the the professor's final undoing!

AVIATORS OF TOMORROW

"EXPLOSION IN THE SAHARA" Ahmed Fishmonger

Feingold slowly manipulated the lever, smiling with the knowledge of the mischief it wrought so many miles away. For at that moment a large area of the central Sahara desert went up in a single brilliant flash!

AVIATORS OF TOMORROW "SPIDER MEN OF THE MOON"

Ahmed Fishmonger

Inhaling the potent drug made it possible to see the SPIDER MEN as they really were.

After this he saw the lunar infiltrators all the time.

Meanwhile, in the world Capital at Berlin, something was jamming the MASTER RADIO!

AVIATORS OF TOMORROW

"DEADLY MOONLIGHT"

Ahmed Fishmonger

The magnetic ray from the Moon shined down on a dormant volcano.

Col. Rawlings and the professor are called to the rescue.

The Earth convulses in response to the Lunar demon radiation.

AVIATORS OF TOMORROW

"FLIGHT INTO PERIL"

Ahmed Fishmonger

The professors demonstration of of the TAUMATROPE effect is watched by unsympathetic eyes from above.

A foolhardy Max Feingold takes off in the Aeromobile in a hopeless attempt to bring down the spider ship!

AVIATORS OF TOMORROW

"AN ODD PICTURE"

Ahmed Fishmonger

The professor handed a picture to Max Feingold.

The photo depicted one of the airships of the Spider Men!

Unknown to them, this was the very moment the Lunar king chose to give the INVASION ORDER!

AVIATORS OF TOMORROW

"DISRUPTED SPORT"

The young Aviators of Tomorrow use some free time to engage in healthful sport.

Only to have their recreation interrupted by calamity!

Ahmed Fishmonger

Across town, a mysterious figure labors toward an unknown end.

AVIATORS OF TOMORROW

"AN ALIEN DEALT WITH"

Ahmed Fishmonger

In a last desperate shove Rawlings pushed the Lunar agent from the plane!

And with utmost speed, they made for the port of San Francisco.

For at that very moment "customs agents" boarded the professor's yacht.

AVIATORS OF TOMORROW

It was professor Marconi himself who first picked up the strange signal. Despite heroic attempts he was unable to contact Col. Rawlings.

"RAWLINGS INDISPOSED"

This was due to the fact that Rawlings was practising one of the purification rituals he learned in the far east.

This explains the delay in his response to the threat of the DEVIL DOG OF THE INCAS!
